## Staff matters

We are bidding one of our teachers, Nadine Davel, farewell this month when she will be joining a neighbouring school on 15 July. Our best wishes accompany her and her family.

Then on a more positive note, our class assistant Sandra Swart has completed her studies and will now take up the position as teacher in the Smarties Class. This will happen from Monday 8 July.

We are at present interviewing for a suitable class assistant to work with Teacher Ilse in the Jelly Tots Class.

We really had so much fun the last two weeks of June during our Holiday program, thank you to the parents for their great involvement and congratulations to the teachers for making this a great and enjoyable time!
