Train Kids` Second Birthday Celebration at Rietvlei

6 April 2019

Please confirm your attendance with Leoni in order not to miss this great fun-filled day!

We are celebrating Easter this month and Train Kids would like to wish all families and friends of the school, a very blessed Easter and may the real meaning of the resurrection of Jesus Christ become a sincere reality. He has done it all; we only need to receive His wonderful grace.

After two exciting weeks of celebrating the holidays, Train Kids ended the holiday programme with a successful costume party, children and teachers alike. While watching the little ones having fun in their costumes, Aladdin came to mind. He said "Be yourself". There is no other person on earth exactly like you. Be an authentic true version of the one of a kind person you are. Don't compare yourself to others. Appreciate the uniqueness of who you are and what you can contribute to the world.
