We announce with a grateful heart, that the Marshmallow Class has now grown to such an extend that we had to split the class in two. The smaller class is now housing the very young toddlers and provides a smoother transition to the world of the toddler. We have appointed Sinéad Matthee to assist in this class while Tascha Duivestyin will assist Dédé Stephens with the older toddlers, Teacher Assistant Sarah has decided to leave us and our best wishes accompany her

A little tongue in cheek humour, who can relate?

ONTNUGTERDE OLGA

het gedink sy sou beter wees
met hierdie ouerskapsding,
maar teen Maandagoggend
is sy so moeg vir haar kinders,
sy verlang 'n bietjie na haar kantoor ...
Sy werk vir 'n salaris
en 'n wegkomkans.

DIE PICK-N-MIX MA

is moeilik definieerbaar.
Sommige dae lyk sy netjies, kalm en
agtermekaar; ander dae sal die trol onder
die brug vir haar sy borsel wil aanbied.
Sy's terselfdertyd georganiseerd en
gedisoriënteerd (maar probeer
dit darem alles wees
met 'n glimlag).

NEWBIE NEELS

neem sy eersteling soos 'n tikkende
dinamietstokkie babakamer toe.
Hy voel steeds oorweldig deur die wonderlike
voorreg van pa-wees vir so
'n perfekte skepseltjie
(en is glad nie seker of hy kans
sien om die skool daarmee te
vertrou nie ...)
