No way, the hundred is there

*The child is made of one hundred
the child has a hundred languages
a hundred hands
a hundred thoughts
a hundred ways of thinking
of playing, of speaking*

*Always a hundred
ways of listening
of marvelling, of loving
a hundred joys
for singing and understanding
a hundred words
to discover
a hundred worlds
to invent
a hundred worlds to dream*

*The child has a hundred languages
(and a hundred hundred hundred more)
but they steal ninety-nine
the school and the culture
separate the head from the body.
they tell the child:
to think without hands
to do without head
to listen and not to speak
to understand without joy
to love and to marvel
only at easter and christmas.*

*They tell the child the hundred is not there
the child says:
No way. the hundred is there*

*poem by Loris Malaguzzi
